17. Does the Institution have Management Information System ?	No				

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

At the beginning of each academic session, college prepares its proposed academic calendar, which is uploaded in the college website. The proposed academic calendar is prepared according to the notices and circulars received from the affiliating university. Students are informed about the academic calendar of the college notifying the probable teaching days, dates of internal examinations, curricular, extension related and co-curricular activities. Based on the departmental routine, departments conduct meetings for allotment of classes and syllabus distribution among the teachers. Students are given details of teaching assignment of each teacher at the beginning of a session by the department Along with the traditional chalk and talk method, teachers often use power-point projections during the lectures to demonstrate topics. Class tests/surprise test and student seminars are held after completion of a section of the syllabus and periodic review of performance of students is undertaken.

1.1.2 – Certificate	/ Diploma Courses int Diploma Courses	roduced during the Dates of Introduction	academic year Duration	Focus on employ ability/entreprene urship	Skill Development

1.4 – Feedback System							
1.4.1 – Whether structured feedback re	eceived from all the	stakeholders.					
Students			Yes				
Teachers			Yes				
Employers			Nill				
Alumni			Nill				
Parents			Yes				
1.4.2 – How the feedback obtained is to (maximum 500 words)	being analyzed and	utilized for overall o	development of the institution?				
Feedback Obtained							
Feedback Obtained Feedback on the teaching-learning process is received from students as Students satisfaction survey based on a structured questionnaire framed and approved by the IQAC of this college. The questionnaire can be downloaded from the website and Students can drop their filled in feedback form in the feedback receiving boxes present in the college campus. The received feedback is then analyzed by the IQAC and uploaded to the college website and it is also forwarded to the Head of the institution with necessary suggestions based on this feedback.Teachers provide informal as well as formal feedback to the head of the institution on different academic, administrative and other affairs related to the college.

	The institution is a constituent college. Examinations are conducted at the end of each academic year by the affiliating University. College informs students about the university notices and circulars related to the examinations from time to time through student notice board, departmental notice boards, college website and also verbally by the faculty members of the department. All departments conduct internal assessment of students and students are well informed about these internal examinations well in advance by the department. Internal assessment dates are also provided by the college in the proposed academic calendar prepared at the beginning of each academic session, which is uploaded in the college website.

4.4.2 – Procedures and polici library, sports complex, compu- institutional Website, provide I	uters, classrooms etc. (maxin		•••••••••••••••••••••••••••••••••••••••						
The college regularly undertakes repairs of its infrastructure such as classrooms, labs and teaching equipment like computers, projectors etc. Tha lab staff has been trained to ensure the maintenance of lab infrastructure. The library staff keeps updating the record of all the academic material. Besides this annual audit of the library and labs is carried out and during this process outdated material is auctioned off to dispose the scrap. The college bears the cost of all the sporting equipments for its students. The sporting kit for Cricket, Football, Basketball etc. is provided by the college. All the computers of the college are under Annual Maintainence Contract. They are repaired and upgraded as and when required. The institution uses the buyback facilty for UPS batteries which is cost effective and environment friendly. The available infrastructure is still insufficient for proper management of all academic activities. Our Building committee has resolved the action plan to call expert architects to make a blue print of the growth of our infrastructure. What ever is available in the campus is optimally utilized in last four years we have augmented several infrastructures, e.g. hostel, renovations of toilets, tiles flooring of different departments, augmentations of Computer lab. with networking and Wi-Fi facilities automation of library and establishment of e-library, establishment of science labs. 5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The college has counselling management at college aims at helping students reach their highest academic and personal potential. This may involve helping with personal, learning and career concerns and promoting success and wellness among them. The college provides a confidential atmosphere in which the students can explore any topic or situation and discuss any concerns they may have. The students are helped to work through their problems, to develop selfawareness and to overcome problems. The office offers counselling to students on individual or group basis. Counselling Cell Constitution The counselling cell constitute of following members: 1. Sri Aditya Kumar Singh (Dept. of Philosophy) 2. Sri Sandeep Jaiswal (Dept. of Psychology) 3. Dr. Aditi Bharti (Dept of Sociology) 4. Mr. Prashant kumar - The counselling cell facilitates to provide - atmosphere in the college that give leverage to students to express their feelings which they are going through and experiencing and help in training students in self control of emotions. - It also facilitates variety of opportunities to participate in activities lending towards the acceptance of responsibilities. - To encourage and counsel students to get more aware about academic activities and motivate to organise camps and to take part in excursions to provide them with the opportunities to understand each other and come closer. - To conduct induction program for freshers who are newly taken admission to get them more about their courses, to become knowledgeable about college and adhere to institutional policies, procedures and requirements. 1. Faculties Assigned to Counsel and Motivation. Additionally, teachers discharge an energetically pervasive role as motivators and spearheads of cultural and socially conscious activities in the institution. The faculties are also assigned with the responsibilities of counselling of their department wards and are considered vital members for motivational program. Not only the Counselling Cell, but the faculties is always interested in advising, counselling, and demonstrates a concerned attitude toward wards. They exhibit effective interpersonal and communication skills and always available to students in helping them by every means. They help the ward by monitoring their progress and counsel them about the courses and provide advice in a separate sessions with a planned schedule for the forthcoming semester. 2. Cultural Committees The faculties through its various programs try to motivate the students to take part in such program. The cultural committees promote to the students to actively participate in cultural program competitions and debating oratory competitions within the campus and outside the college as well. Thus the college works with aim of attaining the academic excellence through quality education and inculcating all possible soft skills in the personality of the students. Few names of the students who participated in such counselling session: Nikhilesh Kumar Sanjay Thakur Abhishek Kumar Jha Kumar Gaurav Jha Babloo Yadav Neetujha Ravindra Kumar Singh Arpanakumari MD. Taufiq MD. RaghiBhussain 3. Orientation and Induction: The counselling cell presented itself in front of the new batch of students for the year 2018-19 and had an

interactive session by the peer help group with the

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No

5.4.2 – No. of enrolled Alumni:

5.4.3 - Alumni contribution during the year (in Rupees) :

5.4.4 - Meetings/activities organized by Alumni Association :

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The faculty members are included in the administrative and financial committees of the college, thus, leading to an ambience of participative management. The students are also involved into various committees/ cells of the college. Their views are also taken into consideration before arriving at any final decision. Teachers who have completed their Ph. D are encouraged to complete the same. Apart from the above, they are further requested to participate in Seminar and other related If possible, teachers are encouraged to take part in international seminars also. A separate room has been provided to the teachers for the preparation of their lecture notes and other works relating to their studies. Network Resource Centre with Internet facility and INFLIBNET membership has provided to teachers for accessing different national and international academic databases.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 - Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Library, ICT and Physical Infrastructure / Instrumentation	Library Automation with barcoding and cataloging. Advanced ICT technology adopted like - Smart Class
Admission of Students	We are in Planning of Starting online Admission in next session.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Student Admission and Support	We are in Planning of Starting online Admission in next session.
Administration	There are different committees constituted in college and the college administration are running under these

committees.

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Adoption of Solar Energy System Plastic Free campus Make Campus Green and Clean. reduce to use Vehicle in the Campus

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best Practice 1: Sustained emphasis on co- and extra-curricular activities to stimulate all- round development 1. Goals The college engages in several cocurricular activities and education practices with the following objectives: To promote goodwill and interaction among all students and teacher-student interaction To inculcate the values of discipline and moral character To expose the students to new ideas of research and development To develop leadership skills and organizational abilities To encourage the holistic development of students To explore and bring to fruition the latent potential of each student 1. The context The college considers it its duty to provide value -based education and life-skills which will help to create individuals who can not only adapt themselves easily to an ever-changing society but can also provide leadership and guidance when necessary. In order to achieve this purpose of allround individual development, mere academic pursuit is not adequate. Therefore, alongside the curricular programmes, extracurricular activities have been designed to ensure their cultural and moral well being. Co- and extracurricular Activities The college has always believed that an all-round educational development can only take place through a holistic approach. In this context, the college has taken the following steps: The college upholds Indian tradition and heritage in all such events. In the present scenario of steadily degrading social values, our college has been able to maintain distinction with regards to the quality and nature of such programmes. A strict discipline is followed during these programmes. Active participation of teachers and their valuable guidance during the same also ensures meaningful achievements. These cultural programmes have been the platform where a lot of our students have discovered andrealized theirlove for performingartswhichtheyhavepursued professionally later in their lives. The Fresher's Welcome is annually held in a 100 ragging-free environment. This is achieved by encouraging equal participation of the seniors and the new entrants in designing the programme. This fosters a strong bond between freshers and seniors and creates a friendly ambience. The college organizes a number of extension lectures other than departmental activities and UGC sponsored seminars and seminars. With the help of NSS. The college regularly observes the birth and death anniversaries of personalities of national interest like freedom fighters, scientists, moral leaders, educationists, poets, writers etc. with a view to provide role models to the student community. The students are encouraged to attend camps and in-house and off-campus workshops conducted by NSS The literary talents of the students find expression in the annually published college magazine and the wall magazines of the different departments. 1. Evidence of Success Our college is proud to have as its alumni countless prominent figures in the fields of academics, literature, art and culture, politics, administration and law, sports. They have not only carved out a niche for themselves but have also upheld the name of the college by utilizing the opportunities given to them. Their exemplary achievements have brought honour and glory to the college and reaffirmed its faith in the best practices mentioned above. We must have life building, man making, and character making assimilation of ideas. If you have five ideas and make them your life and character, you have more education than any man who has got by heart a whole library." The quality education imparted by the college has resulted in it becoming one of the most sought after institutions for higher studies. This is

reflected in the increased number of students admitted to the college each year. Over the years many students have benefitted from these practices and have been able to successfully complete their education as a result. Moreover, our efforts have also made it possible for many students to tackle their personal and emotional problems and rise above them to carve out their individual identity. Problems Encountered and Resources Required The college has to contend with a growing number of students and shortage of staff. This severely impedes the much needed one-to-one interaction between teacher and student. Best Practice-2: Empowerment of Women through Quality Education. 1. Goals The college engages in women's empowerment through education practices with the following objectives: To understand and address through counseling both academic and psychological problems faced by the students. To create a friendly and conducive learning environment for the students. To provide moral support to students from repressed and emotionally unstable environments. To motivate students to perform better through prizes and scholarships. To enable students to appreciate and understand the essential role played by women in society and the work force. 1. The context As women from economically weaker sections of the society confront greater difficulties in pursuing higher education, various supports is extended to them to realize their potential and fulfill their dream of establishing themselves as valuable members of society through quality education. Even as homemakers, they play an essential role in educating their children and giving them a firm moral foundation. The college acknowledges the greater responsibility associated with women's education and makes utmost effort not only to create an environment conducive to learning for all the students, but also to equip them with moral values and skills which will support and sustain them throughout life. 1. The Practice The college takes the following steps towards the empowerment of women: The Students' Welfare Cell provides support and counselling on academic and psychological matters. The students are sometimes directed to organizations providing formal therapeutic help in such cases. They are encouraged to complete their education and become self-reliant. Besides this, the students regularly seek personal advice on academic and psychological matters from the teachers of their departments. The teachers frequently remain after college hours to provide such counselling. Such intra-departmental counselling has proved to be extremely effective in improving the academic performance as well as the emotional stability of the students. Our college extends financial support to meritorious but economically disadvantaged students in the form of tuition fee concessions (full/partial). Although free studentships are mostly granted on merit-cummeans basis, the conditions are relaxed for students who do not fulfill the criteria of merit but will be unable to continue their education without financial aid. Students of the college incapable of paying University examination or excursion fees but not fulfilling the criteria for free studentship are supported by funds raised from contributions from teachers. The admission fees for meritorious but economically disadvantaged students are often paid from these funds. After admission, such students are immediately recommended for free studentship.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

http://bmcollege.in/

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Starting from the Establishment the college aims to deliver quality education, grounded in sensitivity towards individual dignity, professional integrity, and a positive and nurturing environment via enhancing the commitment of faculty,
